Company shall be subrogated to all of Member's rights of recovery against any party for loss, to the extent of any payment and/or costs made or incurred by Company for services and regardless of whether Member is made whole. Member hereby acknowledges the foregoing subrogation rights and agrees to execute such further and other documents as Company may reasonably request in order to evidence such subrogation rights, whether before or after services are performed. Without limiting the generality of the foregoing Company shall be entitled to enforce all rights Member has or otherwise would have had against such party, and/or to recover directly from Member from any amounts received and/or due from such party. It is further agreed that all costs and expenses incurred by Company in performing the services shall conclusively be deemed to be reasonable.

**7. Force Majeure.** Company shall not be liable for failure to provide or delay of services resulting from acts of God or other causes beyond Company's control.

**8. Authorization to Obtain and Use Personal Information.** As may be required by applicable law, and solely for the purpose of, and

only to the extent required in, providing the Services under this Agreement, Member(s) hereby authorizes (i) the release to or from Company, any Company Contractor and/or Designated Representative of any and all confidential Member information, including but not limited to, financial information and protected health information (as may be defined by applicable law, such as medical records, histories, examinations and tests, medical images, photographs, x-rays, output data from medical devices and sound and video files) (“Personal Information”), and (ii) Company and Company Contractors to use any and all such Personal Information in connection with providing services hereunder, in its sole discretion. The Member agrees to provide and to otherwise assist Company in obtaining Personal Information when requested by Company and acknowledges and agrees that Company shall not be obligated to provide services if Company is not able to receive or release any necessary Personal Information required. Company agrees that personal information collected from the member will: (a) be kept confidential; (b) be used only to provide the Services that are the subject of this membership agreement and not for any other purpose; and (c) not be provided to any third party without the prior consent of the member, except as maybe required to provide the Services as set forth herein.

**9. Informed Consent for Transport and Treatment.** Member hereby gives informed consent for any transportation and medical care of Member by Company and/or Company Contractors contemplated by this Agreement. Member has been informed and understands the benefits and risks associated with transport, medical care and telemedicine consultation (including potential technology risks, such as interruptions, unauthorized access and/or technical difficulties) that may be requested and/or provided under this Agreement and hereby consents thereto. Member understands and agrees that medical care, including emergency care, may be initiated during transport by Company and/or Company Contractors should such care become necessary in the professional judgment of Company and/or Company Contractors. Member agrees to read and execute all forms, waivers, releases and other necessary documents prior to receiving services under this Agreement. Company shall not be obligated to provide services of any kind if all requested documents are not read and executed by Member.

**10. Designated Representative.** Except as provided in Section 2.4 of this Agreement, in the event that a Member is unable to make decisions, Company or Company Contractors will attempt to contact the Member’s Designated Representative for the purposes of making decisions on behalf of Member in regards to any items or services set forth in this Agreement. The Designated Representative is the person or persons identified to Company by the Member during enrollment or after as the primary person who will be making decisions on behalf of the Member in the event the Member becomes incapacitated.

**11. Enforceability.** If any portion or provision of this Agreement shall to any extent be declared illegal or unenforceable by a court of competent jurisdiction, then the remainder of this Agreement, or the application of such portion or provision in circumstances other than those as to which it is so declared illegal or unenforceable, shall not be affected thereby, and each portion and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

**12. Waiver.** No failure or delay in exercising any right, power, or remedy under this Agreement shall operate as a waiver of any such right, power or remedy.

**13. Disputes and Arbitration.** In the event of a dispute related to this Agreement, the parties agree to the following:

**a. Binding Arbitration.** Member and Company agree to submit any claim, dispute, action, cause of action, issue, or request for relief arising out of or relating to this Agreement and/or Member’s use of the Services (whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory) to binding arbitration rather than by filing any lawsuit in any forum other than set forth in this section. Further Member agrees arbitration is final and binding and subject to only very limited review by a court. Member also waives the right to any form of appeal, review or recourse to any court or other judicial authority, insofar as such waiver may be validly made. This provision is intended to be interpreted broadly to encompass all disputes or claims arising out of or relating to this Agreement and/or Member’s use of the Services.

**b. Arbitration Procedures.** Member must first present any claim or dispute to Company by contacting Company to allow an opportunity to resolve the dispute through good faith discussions. Member may request arbitration if Member’s claim or dispute cannot be resolved within 90 days after presenting the claim or dispute to Company. Company may request arbitration against Member at any time after it has notified Member of a claim or dispute. The arbitration of any dispute or claim shall be conducted in accordance with the then current and applicable rules of JAMS as modified by this Agreement. The place of any arbitration will be West Palm Beach, FL, USA, and will be conducted in the English language. Claims will be heard by a single arbitrator. The arbitrator may not award relief in excess of or contrary to what this Agreement provides, order consolidation or arbitration on a class wide or representative basis, award punitive or consequential damages or any other damages aside from the prevailing party’s actual damages, or order injunctive or declaratory relief, except that the arbitrator may award on an individual basis damages required by statute and may order injunctive or declaratory relief pursuant to an applicable consumer protection statute. Any arbitration shall be confidential, and neither Member, nor Company nor the arbitrator may disclose the existence, content or results of any arbitration, except as may be required

by law or for purposes of enforcement or appeal of the arbitration award. Judgment on any arbitration award may be entered in any court having proper jurisdiction. If any portion of this arbitration clause is determined by a court to be inapplicable or invalid, then the remainder shall still be given full force and effect.

**c. No Class Actions.** There shall be no right or authority for any claims subject to this arbitration clause to be arbitrated on a class action or consolidated basis or on bases involving claims brought in a purported representative capacity on behalf of the general public (including, but not limited to, as a private attorney general).

**d. Fees and Expenses.** All administrative fees and expenses of arbitration will be divided equally between Member and Company. Each party will bear the expense of its own counsel, experts, witnesses and preparation and presentation of evidence at the arbitration hearing.

**e. MEMBER MUST CONTACT COMPANY WITHIN ONE (1) YEAR OF THE DATE OF THE OCCURRENCE OF THE EVENT OR FACTS GIVING RISE TO A DISPUTE, OR MEMBER WAIVES THE RIGHT TO PURSUE ANY CLAIM BASED UPON SUCH EVENT, FACTS, OR DISPUTE.**

**14. Fraudulent Activity.** Any fraud, misrepresentation, omission or concealment in the statements and/or actions made by Member in obtaining this membership or requesting services may render Member ineligible to receive services from Company, at Company's sole discretion, including but not limited to, knowingly purchasing a Company membership when a medical event has already begun or is imminent or when any other membership exclusion exists. All items and services shall be forfeited, and Company shall be entitled to reimbursement, including attorney's fees, for any services provided based on such statements and/or actions.

**15. Entire Agreement.** This Agreement, together with the Medical Member Services Agreement and Terms of Service, represents the entire agreement between Member and Company ("Combined Agreement") and supersedes any agreement or representation, written or oral, occurring outside of this Combined Agreement.
