Any arbitration shall be confidential, and neither Member, nor Company nor the arbitrator may disclose the existence, content or results of any arbitration, except as may be required by law or for purposes of enforcement or appeal of the arbitration award. Judgment on any arbitration award may be entered in any court having proper jurisdiction. If any portion of this arbitration clause is determined by a court to be inapplicable or invalid, then the remainder shall still be given full force and effect.

c. No Class Actions. There shall be no right or authority for any claims subject to this arbitration clause to be arbitrated on a class action or consolidated basis or on bases involving claims brought in a purported representative capacity on behalf of the general public (including, but not limited to, as a private attorney general).

d. Fees and Expenses. All administrative fees and expenses of arbitration will be divided equally between Member and Company. Each party will bear the expense of its own counsel, experts, witnesses and preparation and presentation of evidence at the arbitration hearing.

e. MEMBER MUST CONTACT COMPANY WITHIN ONE (1) YEAR OF THE DATE OF THE OCCURRENCE OF THE EVENT OR FACTS GIVING RISE TO A DISPUTE, OR MEMBER WAIVES THE RIGHT TO PURSUE ANY CLAIM BASED UPON SUCH EVENT, FACTS, OR DISPUTE.

15. Fraudulent Activity. Any fraud, misrepresentation, omission or concealment in the statements and/or actions made by Member in obtaining this membership or requesting services may render Member ineligible to receive services from Company, at Company's sole discretion, including but not limited to, knowingly purchasing a Company membership when a medical event has already begun or is imminent or when any other membership exclusion exists. All items and services shall be forfeited, and Company shall be entitled to reimbursement, including attorney's fees, for any services provided based on such statements and/or actions.

16. Entire Agreement. This Agreement represents the entire agreement between Member and Company and supersedes any agreement or representation, written or oral, occurring outside of this Agreement. Company shall be subrogated to all of Member's rights of recovery against any party for loss, to the extent of any payment and/or costs made or incurred by Company for services and regardless of whether Member is made whole. Member hereby acknowledges the foregoing subrogation rights and agrees to execute such further and other documents as Company may reasonably request in order to evidence such subrogation rights, whether before or after services are performed. Without limiting the generality of the foregoing Company shall be entitled to enforce all rights Member has or otherwise would have had against such party, and/or to recover directly from Member from any amounts received and/or due from such party. The Member agrees to provide and to otherwise assist Company in obtaining Personal Information when requested by Company and acknowledges and agrees that Company shall not be obligated to provide services if Company is not able to receive or release any necessary Personal Information required.

8. Informed Consent for Transport and Treatment. Member hereby gives informed consent for any transportation and medical care of Member by Company and/or Company Contractors contemplated by this Agreement. Member has been informed and understands the benefits and risks associated with transport, medical care and telemedicine consultation (including potential technology risks, such as interruptions, unauthorized access and/or technical difficulties) that may be requested and/or provided under this Agreement and hereby consents thereto. Member understands and agrees that medical care, including emergency care, may be initiated during transport by Company and/or Company Contractors should such care become necessary in the professional judgment of Company and/or Company Contractors. Member agrees to read and execute all forms, waivers, releases and other necessary documents prior to receiving services under this Agreement. Company shall not be obligated to provide services of any kind if all requested documents are not read and executed by Member.

9. Designated Representative. 12. Waiver. No failure or delay in exercising any right, power, or remedy under this Agreement shall operate as a waiver of any such right, power or remedy.

13. Disputes and Arbitration. In the event of a dispute related to this Agreement, the parties agree to the following:

a. Binding Arbitration. Member and Company agree to submit any claim, dispute, action, cause of action, issue, or request for relief arising out of or relating to this Agreement and/or Member's use of the Services (whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory) to binding arbitration rather than by filing any lawsuit in any forum other than set forth in this section. Further Member agrees arbitration is final and binding and subject to only very limited review by a court. Member also waives the right to any form of appeal, review or recourse to any court or other judicial authority, insofar as such waiver may be validly made. This provision is intended to be interpreted broadly to encompass all disputes or claims arising out of or relating to this Agreement and/or Member's use of the Services.

b. Arbitration Procedures. Member must first present any claim or dispute to Company by contacting Company to allow an opportunity to resolve the dispute through good faith discussions. Member may request arbitration if Member's claim or dispute cannot be resolved within 90 days after presenting the claim or dispute to Company. The arbitration of any dispute or claim shall be conducted in accordance with the then current and applicable rules of JAMS as modified by this Agreement. The place of any arbitration will be West Palm Beach, FL, USA, and will be conducted in the English language. Claims will be heard by a single arbitrator. The arbitrator may not award relief in excess of or contrary to what this Agreement provides, order consolidation or arbitration on a class wide or representative basis, award punitive or consequential damages or any other damages aside from the prevailing party's actual damages, or order injunctive or declaratory relief, except that the arbitrator may award on an individual basis damages required by statute and may order injunctive or declaratory relief pursuant to an applicable consumer protection statute. Any arbitration shall be confidential, and neither Member, nor Company nor the arbitrator may disclose the existence, content or results of any arbitration, except as may be required by law or for purposes of enforcement or appeal of the arbitration award. Judgment on any arbitration award may be entered in any court having proper jurisdiction. If any portion of this arbitration clause is determined by a court to be inapplicable or invalid, then the remainder shall still be given full force and effect.

c. No Class Actions. There shall be no right or authority for any claims subject to this arbitration clause to be arbitrated on a class action or consolidated basis or on bases involving claims brought in a purported representative capacity on behalf of the general public (including, but not limited to, as a private attorney general).

d. Fees and Expenses. All administrative fees and expenses of arbitration will be divided equally between Member and Company. Each party will bear the expense of its own counsel, experts, witnesses and preparation and presentation of evidence at the arbitration hearing.

e. MEMBER MUST CONTACT COMPANY WITHIN ONE (1) YEAR OF THE DATE OF THE OCCURRENCE OF THE EVENT OR FACTS GIVING RISE TO A DISPUTE, OR MEMBER WAIVES THE RIGHT TO PURSUE ANY CLAIM BASED UPON SUCH EVENT, FACTS, OR DISPUTE.

14. Fraudulent Activity. Any fraud, misrepresentation, omission or concealment in the statements and/or actions made

by Member in obtaining this membership or requesting services may render Member ineligible to receive services from Company, at Company's sole discretion, including but not limited to, knowingly purchasing a Company membership when a medical or security event has already begun or is imminent or when any other membership exclusion exists. All items and services shall be forfeited, and Company shall be entitled to reimbursement, including attorney's fees, for any services provided based on such statements and/or actions.

15. Entire Agreement. This Agreement (and Security Services Rider, if applicable), represents the entire agreement between Member and Company and supersedes any agreement or representation, written or oral, occurring outside of this Agreement.
